Because by default we’re playing God tonight because the devil got a date so we’re playing God tonight. Paragraph. Because the devils down South Anne were playing God tonight.

Because we’re the greater good or lesser evil and for what it’s worth we’re playing God tonight

Yeah they say we played it wrong even though we wrote the song

With the devil down South we’re getting some tonight,

And you know I love you so… After 16 years you **know** that,

Through the laughter and the tears,

It’s more than 15 years you know that you are the only one that shares my mic

you’re the only one that shares my mic…
